

HOW TO USE THIS INDEX

Parish/area entries are generally listed chronologically. Subject entries are listed alphabetically by place with any general entries at the beginning of the entry.

Corrections

With so many entries there are likely to be errors, eg. an incorrect page number or issue number, spelling of names, etc. If a number in an entry appears to be incorrect, check all the pages in the issue referred to or the issues either side of the number given.

If you find any errors please notify
